

Aloha!

Thank you for choosing locally made, clean biodiesel to fuel your diesel engine! This station offers biodiesel, which is biodegradable, non-toxic and reduces harmful greenhouse gas emissions by 86%. To get started, please follow the 3 Easy Steps below, or contact us if you need to set up a commercial account.

IMPORTANT:

Before purchasing off-road biodiesel at this station,

we must first receive your State of Hawaii M-38 tax exemption form. Please contact our Pacific Biodiesel Fuel Sales team at **808.283.1855** or **FuelSales@biodiesel.com**

3 REFUEL IN EASY STEPS WITH PrimeFMS

1) Download The App

- Use your smartphone to scan the QR code below to download and install the "PrimeFMS" app from either The App Store (IOS) or Google Play (Android).
- Tip: open your phone's camera app and hold it up to the QR code of your choice; the link will automatically open.

2) Create An Account

- On the **PrimeFMS** app start-up screen, enter your phone number and tap "SEND VERIFICATION CODE" button. The code will be sent as text to your phone.
- Enter the 4-digit verification code and tap the "CREATE AN ACCOUNT" button.
- Enter your personal information and tap "LOG-IN" button.

3) Begin Fueling

- On the **PrimeFMS** screen, select your Fuel Station Location and tap "Get/Start."
- On the "Select Hose" product page, select which type of fuel you want to purchase.
- Select or manually enter your desired dollar amount.
- Select your payment method and add your credit card, or access your commercial account.
- Tap the "FUEL" button, pick-up hose and start fueling.
- For a receipt, select the station location, scroll down to "Purchase History" then "Download PDF."
